

# SUDOKU - position

Place the digits 1-9 in each column, each row and in all nine 3x3 regions. Clues outside the grid indicate the position of the largest digit in the first three cells.

	2	3	1	3	1	2	3	1	3	
1										2
1					4					3
3				3		5				3
1			2				6			3
3		1						7		1
2			4				8			3
2				5		7				2
2					6					2
3										1
	1	1	1	2	3	3	1	3	1
