

# SUDOKU - all odd or even

Place the digits 1-9 in each column, each row and in all nine 3x3 regions. The grey cells in each 3x3-box contain either all odd or all even digits.

	9		3		4			
1			2			7		4
4		1		7				3
6		3			2			
8			5		9
