

SUDOKU - anti-diagonal

Place the digits 1-9 in each column, each row and in all nine 3x3 regions.

Every main diagonal contains exactly three different digits.

						7	1	
3					9			
4				7				
	8							
		5				3		
							5	
				2				9
			6					8
	9	7
