
WCPN ORTEC Dutch puzzle and sudoku championships 2018

This year the annual puzzle and sudoku championships will again be held live! The championships are organized by the Dutch puzzle association (WCPN) and hosted by ORTEC. ORTEC is one of the world's leaders in optimization software and analytics solutions.

The championships will be held on Saturday June 9th, at the ORTEC headoffice in Zoetermeer.

The two separate championships (puzzle and sudoku) will be held on the same day, in such a way that participants can join both competitions.

Just like last year there are two categories in both championships: participants who are a member of WCPN and participants who are selected by ORTEC. There will be a maximum of 50 competitors in total for both categories combined. We expect that most participants will compete in both championships.

One of the main goals of the championships is to select three puzzle-solvers and three sudoku-solvers to complete the teams that represent The Netherlands at the World Puzzle and Sudoku Championships. This event will be held from November 4th to 11th in Prague, Czech Republic. All team members have to pay the costs themselves.

Another important goal is to unite puzzle-enthusiasts (WCPN) with people specialized in looking for solutions (ORTEC). After all, they have a similar task.

Saturday June 9th

Do you want to join both competitions?
No problem. The schedule will allow for this.

Global schedule of the day

09.45 opening
10.00 start puzzle rounds 1, 2, 3.
12.30 lunch
13.00 start puzzle rounds 4, 5, 6.
15.00 tea and coffee
15.30 finals
17.00 award winning ceremony

During the day all corrected solutions will be given back to the competitors. Protests are possible until 10 minutes before the finals.

These are the puzzlers that will be selected for the Dutch teams (for puzzle and sudoku the same rules apply):

A Nr 1 of the first rounds (all rounds before the final)
B Nr 1 after the finals
C Nr 2 after the finals

In case A = B or C, the third position is available for Nr 2 (or 3) of the first rounds.
