WCPN Dutch Sudoku Championships 2018

Part III - Sprint

1 RELAY

This is a relay-round where the values found for letters have to be transposed to the next puzzle.

1 Classic sudoku: Place the digits from 1 to 6 in every row, column, and 2x3 block.

2 Diagonal sudoku: Apply classic sudoku rules. The digits from 1 to 6 also have to be placed on the main diagonals.

3 Max Ascending sudoku: Apply classic sudoku rules. Clues outside the grid indicate the length of the longest connected serie(s) of ascending digits in the corresponding direction.

4 Scattered sudoku: Place the digits from 1 to 6 in every row, column, bold outlined area and the grey cells.

Score:
25 points for each correctly solved grid

Complete puzzle:
4x25 plus 25 points = 125 points.
