SUDOKU – KILLER 31-12-18

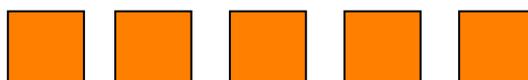

Plaats de cijfers 1-9 in elke rij, kolom en 3x3-blok. De getallen linksboven in elk omstippeld gebied geven de som aan van de cijfers in dat gebied. Alle cijfers binnen een gebied moeten verschillend zijn.

SUDOKU – KILLER 31-12-18

Place the digits 1-9 in each row, column and 3x3 block. The small numbers in the upper left corner of the dotted outlined areas indicate the sum of the digits in that area. Within a dotted outlined area all digits must be different.
